

## Action Plan Template

**Where do I want to be by the end of this period/year?** Be employed in the IT domain and also do my thesis and pass it.

**What do I want to be doing? (Include as many learning needs as required to achieve agreed objectives)**

<b>What do I want/need to learn?</b> Provide a specific description of the desired changes (e.g. skills to gain, knowledge to acquire, topics/themes/content to cover)	<b>What do I have to do to achieve this?</b> Some examples, a new/ongoing course, conference, self-development (like wider research or reading), coaching/mentoring, job shadowing	<b>What resources or support will I need?</b> Some examples, teaching staff support, library support, student advisor support, line manager, etc.	<b>How will I measure success?</b> Some examples, appraisals, course assessments, team feedback, tutor feedback	<b>Target dates for review and completion</b> Note that these need to be realistic/achievable
<b>Plan to develop and include additional self-assigned website template projects on my GitHub repository, and ensure my e-portfolio reflects them and any more updates.</b>	<b>Undertake projects that demonstrate a wide range of website features demanded by today's market, such as e-commerce platforms. Emphasize robust security measures and seamless automatic user interfaces.</b>	<b>The reading and practicing materials found in the modules will help.</b>	<b>Both team and tutor feedback</b>	<b>April 2024</b>
<b>Need to remind myself and learn more on network security and system administration.</b>	<b>Read more materials from the reading list provided by Essex as well as do my own research on it.</b>	<b>Library Support.</b>	<b>By team feedback, particularly from peers with expertise in network security.</b>	<b>April 2024</b>
<b>Need to practice and learn more skills on project management including doing research, writing research proposal, presentations, etc.</b>	<b>Read more materials from the reading list provided by Essex as well as do my own research.</b>	<b>Teaching support and Library support from both Essex and google scholar</b>	<b>By tutor feedback and course assessments when I do my thesis. Also team feedback.</b>	<b>April 2024</b>
<b>Need to learn more on technologies that is needed now in the job market. Example: AWS</b>	<b>Conduct comprehensive research on current market technologies, while also revisiting materials from Essex for a more thorough understanding.</b>	<b>Library support and teaching staff support</b>	<b>Team feedback</b>	<b>April 2024</b>
